Please join us to celebrate W. Ross Macdonald School.

- Tours of Heritage House and the School
- Art Showcase, Demonstrations, Displays, Simulations
- Music and Drama Production, Goalball & Blind Soccer Demonstrations

And much more ...

Heritage House is both a Museum and Archives, highlighting the past 145 years of WRMS history. There are many types of artifacts which highlight the incredible skills our students gained here, as well as items that speak to the day-to-day life of both staff and students. A part of our photo and document archives can also be found within, documenting the lives of all of those who have made our school into the wonderful place it is today.
